EXPERIENCE

National Institute of Education, Singapore **Jan 2026 – Present**
Research Assistant Singapore, Singapore

- Spearheaded educational research operations, directing a team of research assistants to guarantee the timely submission of academic papers to conferences.
- Deployed and managed IoT hardware sensors across multiple school sites to collect data for longitudinal pilot studies.
- Facilitated academic technology workshops for educators in Singapore and delivered an invited presentation at National Tsing Hua University in Taiwan.
- Managed executive scheduling and logistics for the lead researcher, serving as the primary liaison for local and international academic stakeholders.
- Delivered real-time technical troubleshooting during interactive field-based and game-based learning studies.

Krux Ventures Pte Ltd **Aug 2025 – Jun 2026**
Operations Associate / Technical Project Lead Singapore, Singapore

- Directed end-to-end delivery of technical solutions for clients, managing stakeholder communications, project timelines, software contractors, and logistics to ensure on-time milestone execution.
- Designed and deployed Retrieval-Augmented Generation (RAG) architecture using RAGFlow and proprietary software to deliver tailored AI solutions for client workflows.
- Spearheaded digital optimization initiatives by maintaining backend databases via RStudio and continually enhancing Python scripts to streamline daily operations.

Republic of Singapore Navy **Jan 2024 – Nov 2025**
Communications Specialist (Sergeant) Singapore, Singapore

- Managed a crew of 6 and maintained mission-critical communication infrastructure, ensuring continuous operational uptime and mission success.
- Led end-to-end logistics and execution for a unit-wide cohesion event, strengthening organizational alignment.
- Developed and deployed a dynamic website featuring real-time leaderboards for a 4,000-member sports event.
- Automated legacy workflows and cross-platform reporting using Python and Excel VBA, reducing manual data entry by 12 hours weekly and enhancing data accuracy.
- Earned the highest performance distinction ("Outstanding") for demonstrating exemplary conduct, discipline, a superior work ethic, and reliability throughout national military service.

EDUCATION
